Connected Organizer

The Ultra-Slim, Ultra-Light Organizer With Room To Grow.

Beneath its sleek, anodized aluminum exterior and elegant leather screen cover is a power-house of an organizer. With 8 MB of memory, the Palm Vx™ connected organizer will hold everything you want to pack into it–calendar, address book, to do lists, expense items, memos and e-mail* messages–plus a host of applications. All instantly available with a tap on the screen.

Add business, financial, language and travel, time and expense or custom applications. Or choose from a long list of personal productivity applications–even games–to truly customize your organizer. Want to track your golf scores? You can.

The backlit LCD screen lets you see all that information with razor sharp clarity. The long-life rechargeable lithium ion battery lets you take it on the road for weeks at a time without recharging. If you've got plenty to organize and want to do it in style, choose the Palm Vx connected organizer.

Four Easy Ways To Enter Data.

Your Palm Vx™ organizer is flexible enough to let you enter data the way you want. See how easy it is.

Graffiti® Software–Award-winning Graffiti power writing software is simple–use your stylus to input easy-to-learn characters. And it's fast–with a little practice, you can write up to 30 words a minute, error-free.

PC Keyboard–When you're at your PC, you can input data using your keyboard. With a touch of the button on the included HotSync® cradle, it's all placed on your Palm Vx organizer right where it's supposed to be.

On-Screen Keyboard– Tap with your stylus to bring up the on-screen key-board. Then simply tap the characters you want to enter.

Infrared Transfer–Accept and transmit information from any other IR-enabled Palm Computing® platform device.

One Touch Organization.

Ultra-Thin, Ultra Light
Slip it into a pocket or purse. At just 4 oz. and 0.4" thick, you'll hardly know this organizer is there.

Razor-Sharp Screen
Advanced LCD screen is exceptionally easy to read.

Address Book
Store and instantly retrieve thousands of names, numbers, postal and e-mail addresses.

Date Book
All your important appointments, plus notes, alarms and reminders ensure you'll always be on time for meetings, deadlines and personal appointments.

E-Mail*
Download messages to your organizer, read them, write responses, then send replies when you synchronize using HotSync® technology.

Infrared
"Beam" files and applications–even your business card–to other IR-enabled Palm Computing® platform organizer users. It's easy, fast and fun!

Power Button
Here's where it all starts. Press the power button to turn your device on and off, or hold it for a few seconds to turn on the backlit screen.

Memo Pad
Got a thought? Jot it down on the memo pad. You can print your memos easily when you return to your home base.

Find
Locate anything on your organizer instantly. Just enter a name or word in the Find area, and the information appears.

To Do List
If it needs to get done, you can put it here. Sort all the lists you make by category, priority or due date, then check off the items you complete.

Rechargeable Battery
Drop it into the HotSync cradle to charge its advanced lithium-ion battery, then take it on the road for up to a month. Add an optional Palm Vx™ Travel Kit to recharge it anywhere.

HotSync® Technology
Backup and exchange information with your desktop PC and popular PIMs at the touch of a button. You never have to input data twice, and your data is always safe and up-to-date.

Palm Computing® organizers and PCs, working together.
You rely on your organizer and your PC. HotSync® technology from Palm Computing ensures that both have the information you need, ready and waiting. One touch of the HotSync® button on the organizer's cradle synchronizes everything from phone numbers and addresses to appointments and e-mail. You only have to enter data once, and you never have to worry about losing data because it's always backed up.
